18-10-2024

Jenny Hoodless, Hellingly Country Park, Cricket Pavilion

Please see below the quotation for the area to the side of the Pavilion.

I have devised a quotation to include the following:

To do:

- Dig out the existing area using a digger
- Dig ALL footings for the walls mentioned
- Dig the trenching for drainage
- Install blockwork to bring the levels up mentioned to retain the main paving area
- Finish the brickwork with headers mentioned
- Install paving to ramp down where mentioned
- Install paving to the emergency exit area to flow to the grassed area drainage
- Point the patio to match the pavilion patio to tie in.

A digger + Dumper will be required for this. Any soil we dig out we will lose on site where mentioned (to cut costs)

Total price including Labour + ALL materials = **£4870.00**

Payment Schedule:

35% - £1710.00 - Deposit required due to a quick turnaround on materials I have to order.

25% - £1210.00 - To be paid on the 22nd October as we will be starting on some of the area on that date

40% - £1950.00 - To be paid on satisfied competition in these areas, this I will keep you updated on progress and try to give you some projected completion dates as we go.

Many thanks and look forward to hearing from you
